

Interested in emergency communications, helping out in the community, or just having fun innovating and playing with tech? Come out to the Hermiston Amateur Radio Club's Winter Field Day Open House!

We will have a presentation on emergency communications, an operating amateur radio station, experts to answer any of your questions, and a chance to meet local operators in the area!

EOTEC Meeting Room 3
1705 E Airport Rd
Hermiston OR 97838

Saturday January 24
1:00-4:00 pm
